

**Dear Parents and Carers,**

**Student Reports – January 2026**

I am writing to let you know that your child's first report of the academic year will be coming home today. These reports will arrive via the MCAS app directly to you and the student.

All reports will have an academic statement for each subject your child studies as part of their curriculum. This will describe the topics and content they have studied and been assessed on. There will also be an assessment result as a percentage and an effort grade from 1 to 4, with 1 being Outstanding and 4 Unsatisfactory. Each report will have an explanation of the information and will also display other important information such as attendance.

We encourage you to take some time to read through the report with your child and celebrate their successes. If you have any questions or would like to discuss anything in more detail, please do not hesitate to contact your child's Head of Year. We are always happy to support you in any way we can.

Thank you for your continued support.

**Yours sincerely,**

Mr Richard Davis  
Deputy Headteacher
