

February 2026

Dear Parent / Carer,

Year 10 Parent Information Evening Tuesday 24th February 5.30pm – 6.30pm

I am writing to invite you to our **Year 10 Parent Information Evening**, which will take place on **Tuesday 24th February 5.30pm – 6.30pm**. The evening will consist of presentations from the core subjects of English, Maths and Science where they will outline the content of the first set of Y10 trial examinations and communicate information regarding the GCSE curriculum content covered in Year 10 through to the end of the year.

There will also be a presentation relating to attendance. Regular attendance in Year 10 is essential, as this is the foundation year for GCSE success. During this time, students cover key GCSE content that will be built on and assessed in Year 11. Each lesson introduces important knowledge, skills, and exam techniques that cannot always be easily caught up at home. We will be explaining the importance of attendance to student outcomes, ultimately aimed at making the transition into Year 11 as smooth as possible with the aim of supporting students to achieve their full potential in their GCSE examinations.

Lastly, members of the schools Senior Leadership Team will be on hand to answer any questions arising from the evening.

If you would like to attend the evening, please confirm attendance through the following link: <https://forms.office.com/e/W33ZP6NnvK>

We look forward to your attendance on the evening.

Kind Regards

Mr Dunn
