

March 2026

Dear Parent/Carer

We understand there is a need for students to take some time for their own well-being over the Easter holiday that starts on Friday 27th March. However, we wanted to ensure both parents and students knew what was on offer in school for students over the holiday period. We also wanted to make sure students know what they could be doing at home in preparation for the start of the exams on 5th May.

Year 11 Easter revision sessions

I am writing to you regarding our Year 11 Easter revision sessions. These sessions as timetabled below will be running to support our students in their final preparations for their summer examinations. Students should arrive at school via main reception five minutes before the start time and will be asked to leave from the same entrance at the end of the session. Students can attend these classes in casual clothes.

Easter revision topics, ideas and Resources

All Year 11 students will be given a range of resources to use over the Easter break to help them revise. Please encourage them to use the materials to revise. Analysis has been carried out following the Trial exam assessments and marks are recorded at an individual question level. This enables class teachers to identify topics/areas of strength and areas which still need some additional revision or further support.

Results assembly and Final Preparation Evening

We are pleased to have shared Trial exam results with Year 11 in a special assembly in January and will be doing so again following the most recent trial exams on Monday 20th April during mentor time. **We will also be holding our final exam preparation evening on Thursday 23rd April 5-6.30pm at School.** This will be our final opportunity to support you and our students before the exams begin.

Statement of entry

All students will now receive a copy of their statement of entry for their real public exams before the Easter holiday. This document lists all the exams that your son/daughter has been entered for and will be sent to you via our MCAS app. Please check this document carefully once received, if any of the information is incorrect or if you have any queries about the statement, please inform Mrs Jones, exams officer immediately jones@scalbyacademy.org.uk. Dates and times of the exams are set by the Exam Boards and are beyond our control. Students can only sit the exams on these dates. Exams cannot be resat later.

Finally, I would like to thank you for your continued support throughout the most important year of your child's education so far. Please can you encourage them to try their very best during the "final countdown", to the exams. Together we can help them be proud of what they achieve when they open their results envelope on Thursday 20th August 2026.

Yours sincerely
