... Changing Lives

Dear Parent/Carer

Year 11 Exam Preparation April 2026

Following on from the letter sent before Easter I would like to invite you to attend the final parents' exam information evening on Thursday 23rd April at 5pm in the main school hall and is due to finish at 6.30pm.

This is the final such evening and follows on from our first night in September and second in November. We would love to see as many parents at this event as possible. We will be sharing some of the final messages with you so you can support your child during the final throws of exam preparation.

This evening will begin with information regarding the exam and masterclass schedule, students preparing themselves for these trial exams, importance of attendance. We will then break off into smaller sessions led by our Heads of Department and members of the Senior leadership team. They will deliver key messages about exam content and how to be prepared, including revision ideas and techniques. There is also due to be a presentation from the well-being team focusing on supporting your child during this examination series. The meeting is due to conclude at no later than 6.30pm.

I would be grateful if you could complete the return form at the bottom of this letter and ask your child to return it me at school. This will give us an indication of numbers for organising the main hall and break out groups. Please don't worry if your response changes closer to the time, it would be great to see you if possible.

If you have any questions or queries, please contact me at the school.

Yours Sincerely

Mr Richard Davis
Deputy Head Teacher
